Would go on the table tops.
I didn't even think about the chairs, but I could get a sticker like this sized for just the chairs.
Good idea.

Looks good. Will this go on the tops or bottoms of the tables and chairs?

Brian,

Take a look at the attached pdf file for a mock-up of the sticker I'm thinking about for the tables at the plaza.
Let me know your thoughts. Size-wise this would be 4"x4".

We could also get a separate 'no smoking' sticker for the tables as well.
